Year 4 Camp

Year 4 students from KPS travelled to Mangrove Mountain last Monday to spend 3 days at camp enjoying outdoor activities. We were met by Skip the co-ordinator and his huge, but friendly, black Great Dane, Grover. Our instructors Connie and Scotty greeted us with their warmth and enthusiasm, and explained the program for our visit. Over the 3 days the students took part in rockwall climbing, treasure hunt, oval sports, flying fox, challenge ropes, fencing and archery. Our meals were plentiful and delicious, and of course popcorn with a movie on Tuesday night was very popular. The staff were full of praise for the behaviour and good manners of our students. Scotty even said to come back next week as the students were so delightful to instruct!

**Peer Support**

Our whole school will be starting Peer Support sessions this week (Thursday). The children will be using a new module, “Speaking Up,” which focuses on anti-bullying. In the first session the children will have an opportunity to think about the different types of bullying and what their own experience of bullying has been. You might like to ask your child about their experiences in Peer Support, each Thursday afternoon.

**KK News**

KK students have been learning to sequence the events in the right order. This has helped students with their recount writing.

**My Dream**

First, I was flying in outer space. Then, I saw an alien. Before long, I saw lots of aliens. In the end, I flew back to Earth.

**My Weekend**

On my weekend I went on the train. Next, I went on the Ferris wheel. After I had lunch, I went on the train again. When I finished going on the train, I took the bus home. I had the best time with my family!
