**Canteen News**

The canteen continues to respond to feedback to ensure that it is as healthy as a gold standard canteen should be. More home cooked food prepared fresh on the premises is being trialled with the latest additions of pasta sauce made from fresh ingredients.

The supplier of pies and sausage rolls have recently changed to make sure they are as healthy as possible from **Byron Bay Gourmet Pies**. The pies are promoted as **Real ingredients for an unreal taste**. Only the best products are used including organic beef and organic flour. For superior taste and quality they use real butter instead of margarine. All cooking is done using GMO free olive oil. All the pies are GMO free as well as being preservative free. Available online from munch monitor Pies $5.50 and sausage rolls $5.00

From next term muffins baked fresh on site will be available.
Afternoon Pick Up

Last week we trialled for one day an afternoon pick up centred around the double gates in Bowral Street. The aim was to reduce congestion on Doncaster Avenue.

The Road Safety Officer from Randwick Council was in attendance to monitor the situation.

The trial was put on hold as a result of the parking signs in Bowral Street which, until changed, would cause parents to double park whilst waiting to pick up their child at the gates.

So as to avoid a loss of permanent parking spots the existing ones would also need to be relocated. A meeting with council engineers and the road safety officer will take place on Tuesday 23rd June to determine what council considers is appropriate.

Feedback to the School Council and P&C meetings, held next Tuesday evening 23rd June, will provide information regarding any changes which may occur.
Confucius Classroom
Representatives from 13 schools from around Sydney will visit Kensington Public School on Thursday 18th June. These schools are the latest to be inducted into the Confucius Classroom program. Dignitaries from the NSW Department of Education will award plaques.

Thank you to Miss Ya’rrna Guo, Miss Yanli Wang and Mr Ryan Yang, from our languages program, for organising this ceremony. Our students will perform with dances and songs which were presented at our recent Multicultural Day.

Ministerial Visit
The Honourable Leslie Williams, Minister for Early Childhood Education and Member of Parliament for Coogee, Bruce Notley-Smith, will visit the school on Thursday 18 June at 4.30pm to visit the KPS OOSH centre. With the budget looming funding changes are coming to OOSH centres with an announcement being made.

Class Planning
Class teachers in each stage of learning will be, over the next two weeks, released from class to be involved in planning days.

The purpose of these days is to develop tasks in mathematics which will assess the development of understanding and fluency through:
- inquiry;
- exploring and connecting mathematical concepts;
- choosing and applying problem solving skills and mathematical techniques;
- communication; and
- reasoning.

Bake Sale - Update
Thank you so much to everybody who donated their time and/or baked goods for the Athletics Carnival P&C Bake Sale. We are very lucky to have some remarkably creative bakers at our school! We raised a total of $779 which is excellent. This money will pay for new History books for Stage 2 children (years 3 and 4).

Mufti Day – Update
Well done for remembering Mufti Day. I almost forgot and I send out the reminders! We made a total of $475. We hold 4 mufti days a year (one in each term) and the combined money raised will fund the KPS presentation day at the end of Term 4.

Minions Movie Night - THIS FRIDAY - SOLD OUT!
Thanks to everyone who bought tickets. As of Monday morning we were sold out. Don’t forget to print out and bring your Trybooking tickets on the night. The doors open at 6.30pm and the movie starts at 7.00pm.

Christmas in July Trivia Night (Adults only) - Friday 24th July
Today all students should receive a Christmas in July Trivia Night booking form and raffle tickets to sell. Raffle tickets can be sold irrespective of whether you are planning to attend the evening. Please send back your completed booking forms and cash/cheque in an envelope to your class teacher.

When you sell your raffle tickets please mark each stub clearly with the name and mobile number of the recipient. Tickets and cash should be returned to your class teacher in an envelope. Each ticket is $2 or you can sell 10 tickets for $18. There are 20 tickets in a book so a book is worth $36. If every student sold 1 book of raffle tickets we would make $15,696! Think how the children could benefit with an extra $15,000 to spend on resources!

As an incentive, we will be rewarding the class who sells the most raffle tickets with $100 to spend within their class.

Turn to page 2 of the P&C newsletter to see the full list of live auction and raffle prizes.

Turn to page 3 for a Trivia Night booking form.

Date of the Next Meeting
The next P&C meeting will be on Tuesday 23rd June at 7.30pm in the Library.

We are going to make a small change to the format of the P&C meeting this month. Instead of having a "Principal's Report", Mr Johnston will answer any questions addressed to him in 'Any Other Business'. Please email questions either directly to Mr Johnston or to kensopandc@gmail.com. If you are unable to come to the meetings, please remember that the minutes are posted on the P&C BLOG: http://www.kensingtonpandc.blogspot.com.au/p/p-minutes.html

Thanks again and see you at Minions on Friday!
